1. Purpose

The Council recognises that it has a responsibility to manage risk to ensure the safe, efficient and lawful delivery of its services.

This policy sets out how risk is identified, assessed, and managed.

2. Risk Management Approach

The Council uses a simple risk assessment system based on:

- Overall risk score

This allows the Council to prioritise actions and mitigation measures.

4	Likely

Impact

4. Risk Calculation

5. Risk Management

The Council will:
